YOUR PARTS. THEIR NEXT RIDE.

GET LISTED

You bring the parts.
We help riders find them.

Put your catalog in the path of Harley-Davidson and Indian riders looking for their next part. They compare on Bagger McGee. They buy from you.

LET'S TALK PARTS →

DISCOVERY

GET FOUND.

Help riders find your offers by bike, part, and the details that matter.

COMPARISON

SHOW THE FULL OFFER.

Bring price, condition, shipping information, and available coupons into the comparison.

YOUR STORE

KEEP THE CUSTOMER.

Your checkout. Your fulfillment. Your customer relationship. The sale happens with you.

FROM YOUR CATALOG TO THEIR SHORTLIST.

01

INTRODUCE YOUR STORE.

Tell us who you are, what you carry, and where riders can find you.

02

WORK THROUGH THE DETAILS.

We discuss participation, permission to use your product data, and how your catalog can be supplied and kept current.

03

REVIEW BEFORE GOING LIVE.

Product details are reviewed before publication. Once participation and listings are approved, riders can discover your offers and visit your store.

REAL PEOPLE. READY TO TALK.

At any point during onboarding, you can call and speak with a live agent—a real person, not AI. Whether you have a quick question or need help with your catalog, we're here to walk you through it.

GOOD DATA. BETTER COMPARISONS.

Start with an introduction. We'll work through the catalog details together.

HOW SHIPPING SCORES WORK ↗

The exact part
Brand, manufacturer part number, and variant.

The right bike
Fitment information supported by your product data.

The current offer
Price, condition, availability, and product link.

The shipping details
Charges, free-shipping thresholds, and conditions.

LET'S GET ACQUAINTED.

TELL US ABOUT YOUR STORE.

Carry parts for Harley-Davidson or Indian motorcycles? Let's start a conversation.

An introduction starts the review process. Participation and product listings require approval.
